

## WOMEN OF WISDOM CREED

I am not alone;

for the LORD my GOD is with me.

I am not the only one;

for my spiritual Sisters (past,  
present, and future) are with me.

I am here to comfort, love and support  
my Spiritual Sisters.

I am not here to judge, nor gossip, nor  
repeat to others about my  
Spiritual Sisters.

And as I move forward thru life's trials  
and tribulations, I will be victorious

Because GOD has assured me that  
this too shall come to pass; and  
I will be all the better for  
passing life's tests and surviving  
life's storms.
